

# Missional Discipleship

How  
do we make  
disciples?

*Missional Discipleship*

- How do we grow the church of the future?
- How do we reach our co-workers, neighbours, family members, or friends for Jesus?
- How will the broken things in our community change?
- How can we bring the gospel to the darkest places of the world?

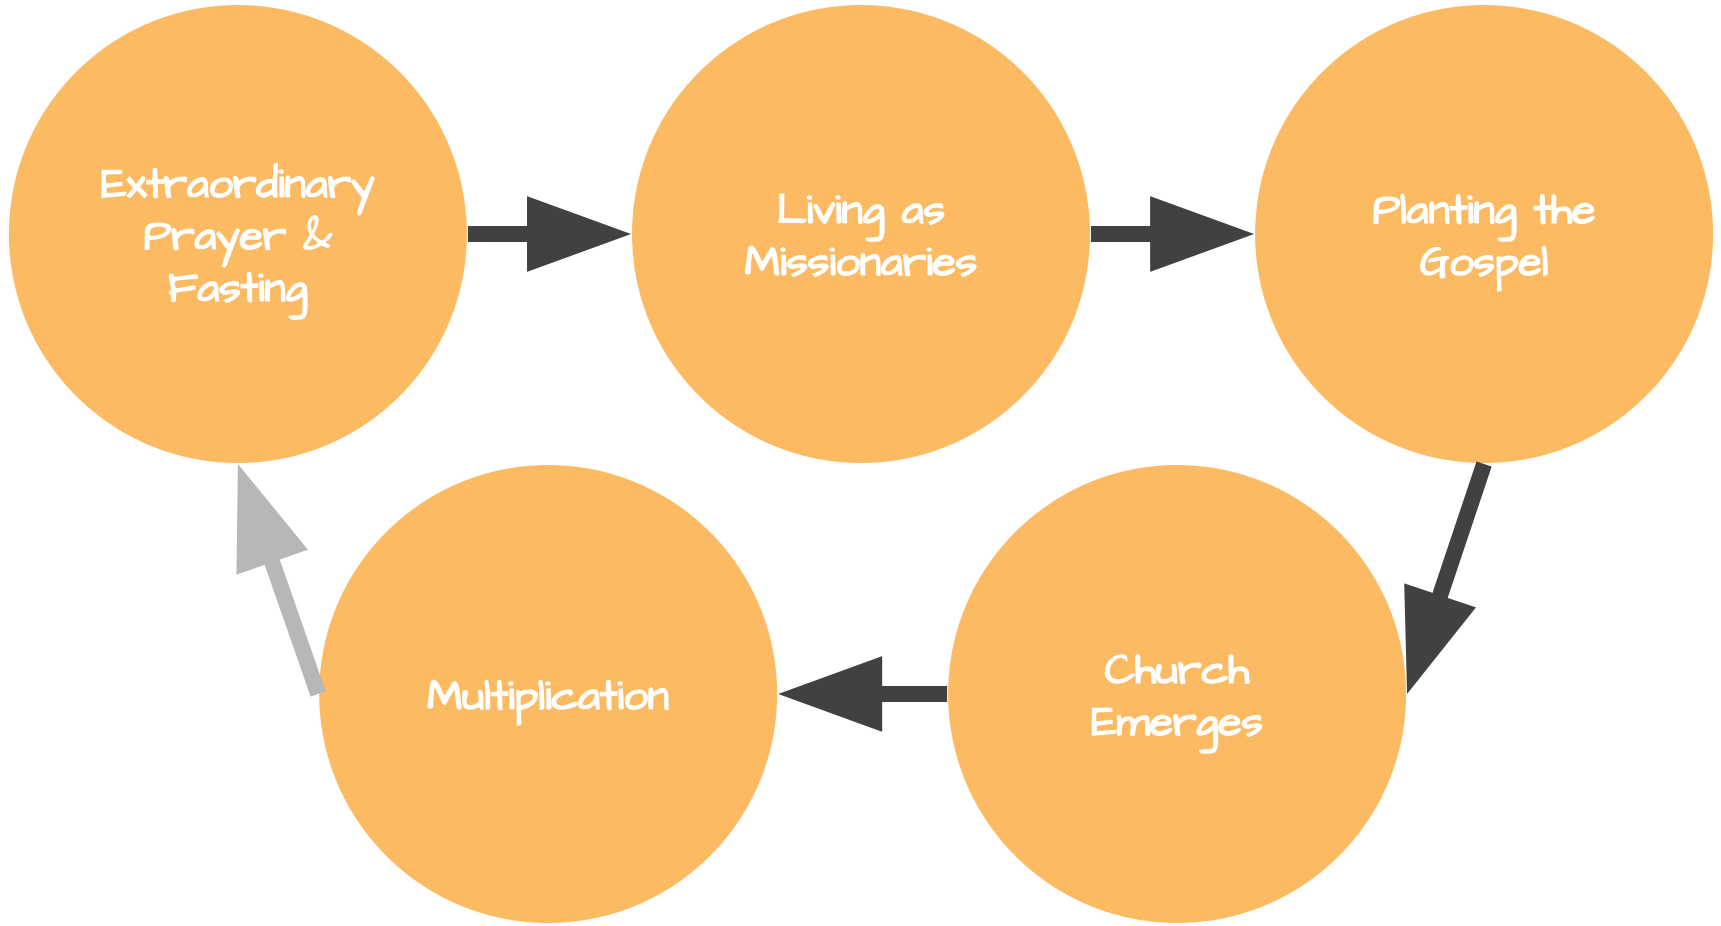

If you make a church, you  
rarely get disciples.

But, if you make disciples, you  
always get the church.
